David Batista to Speak at 2nd Annual Capital Raising Summit in Sydney Australia

New York, NY (July 20, 2009)...David Batista, Senior Managing Director of Viriathus Capital LLC, has been invited to speak at the 2nd Annual Capital Raising Summit presented by Tonkin Corporation from October 14th to October 16th at the Rydges World Square Hotel in Sydney, Australia. This event provides a forum for networking and education with a focus on capital raising structures available to Australian and Asian companies across the equity, debt and hybrid markets today.

Mr. Batista will serve as a panelist on the alternative sources of capital and accessing overseas capital markets panel discussion where he and other industry professionals will address creating a presence in offshore markets, knowing where and how to approach investors, and raising capital in Asia. Additionally, Mr. Batista will be leading a workshop at the conference that will focus on accessing the US as a source of liquidity with specific attention given to attracting the interest of US investors and a detailed review of the International OTCQX market place.
