## **Viriathus warns about unregulated fundraising schemes**

Viriathus wishes to warn the general public about unregulated fundraising schemes we have discovered in Australia.

Several fraudulent organizations; Viriathus Partners Pty Ltd and SPK Partners Pty Ltd, situated in Melbourne and operated by Irish nationals Michael Purdy and Sean Jackson and/or using false aliases Brian Cartwright and Craig Black, in order to masquerade as Viriathus Holdings LLC, Viriathus Capital LLC and/or Viriathus Capital Pty Ltd in Australia.

They have infringed on our intellectual property by registering and operating the domain [www.viriathuscapital.com.au](http://www.viriathuscapital.com.au) and are purporting to raise funds for the IPOs of Airbnb, Postmates, Doordash, GitLap and Wish. Do NOT remit any funds to these fraudulent organizations. You should only ever hand over funds to a financial adviser registered on [www.moneysmart.gov.au](http://www.moneysmart.gov.au).
